

BUY AN IRRIGATED FARM

Investigate Opportunities on the

# ==== KUHN ==== CALIFORNIA PROJECT

In Glenn and Colusa Counties

Experienced California Orange Growers have invested in our Lands  
and have begun active development of their holdings

## WHY THESE MEN, WHO KNOW, ARE INTERESTED

Oranges mature earliest in this section	No fear of heavy loss from frost
Land values very low	Water supply abundant and furnished at a low cost
Canal, lateral and road construction of the best	Soil a deep sedimentary loam, highly fertile
	Climate unsurpassed

A Few Acres Means Comfort and Independence

## IN THE HEART OF THE FAMOUS SACRAMENTO VALLEY

Where All Kinds of Crops Grow to Perfection

Here the Winters are mild, the Summers delightful and here the greatest development the state  
has ever seen is taking place.
