Mr. F. J. Thomas!  
Dear Sir:

We just took a telephone message from G. M. Sayles of Forest City, stating he had about 10 Tons Flour in Nevada City, which he cannot get hauled any more this winter and he counts us to dispose of the same.

We promised him we would. Mr Sayles will leave order with Freight Agent to turn flour over to us. So please dispose of it in Nevada City, and oblige

Yours Truly

PHOENIX MILLING COMPANY.
