

Introducing PETER and TOM CONDOS

Operating the
**Mountain View Fruit
& Produce Dept.**

of the

Sacramento Public Market

Messrs. Condos Brothers, who are to operate one of the large produce sections in the Sacramento Public Market, are men who have had long experience in this line of work, and are bringing to this Market the knowledge gained from market connections in Stockton, Los Angeles and San Francisco.

They will specialize in a very fine line of vegetables and fresh and dried fruits. They know how to buy to the best advantage and as a consequence, they are able to handle the very best that the market affords at all times.

The public will be assured of the most courteous treatment and complete satisfaction to the customer will be the aim of these enterprising merchants.

Messrs. Condos Brothers have become associated with the Sacramento Public Market because they immediately recognized the opportunities presented by this modern institution in this rapidly growing city. We are glad to have these experienced produce men with us.
