# Introducing **J. C. BONDI**

Dealer In

**Fruits and Vegetables**

at the

**Sacramento Public Market**

In presenting Mr. J. C. Bondi to you today, it is hardly necessary to mention that he will operate a fruit and vegetable department in the Sacramento Public Market, as his name has long been associated with this line of business.

Mr. Bondi knows the Produce Business both as a grower and a merchant, and we are sure the people of Sacramento and vicinity will be quick to avail themselves of the benefits which will accrue to them through his advantageous buying and his knowledge of market merchandising.

Mr. Bondi left a host of friends in San Jose, where he has long been in business. His one objective is to give to the people of Sacramento a produce service which will soon surround him with a like number here.

We are gratified at having him in this market and Mr. Bondi feels that he has a real opportunity with us.
