M. T. BREWER

PRODUCE
SEEDS,
NUTS,
HONEY.

Sacramento, Cal 1st April 1880.
Friend Johnson,

We have not sent you apples for the simple reason that we did not think the apples coming into the Market now would suit you being so very small and poor. We know that you only wish the best, and those are not good. If there should any large fine apples come to the Market we will send them to you.

Your friend,
M. T. Brewer
