LIBRARY
SACRAMENTO, CALIF.

POWER, the Giant of Industry, the Servant of the Home, is to be harnessed by the City of Sacramento, California. This is one of the many progressive steps taken recently in making this City one of the leading industrial centers on the Pacific Coast.

ON THE Headwaters of the same Stream on which Gold was discovered in 1848, this new El Dorado of Opportunity is to be developed—but it holds Treasures far Greater than those won by

Loon Lake-Silver Creek
Watershed

the Gold Seeking '49ers,
 for in the Silver Creek
 Watershed lie the Poten-
 tialities for Building one
 of the Nation's important
 Industrial Centers, and
 for bringing Prosperity,
 Contentment and Happi-
 ness to Many Thousands
 of People. The Wealth
 of the Gold Fields of '49
 was Transient and Fleet-
 ing - - that of Silver Creek
 will be Substantial and
 Enduring. - - -

SACRAMENTO is to own and
 operate the Silver Creek Hydro-
 Electric System.
